

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1.Name of the Institution

S.K.Somaiya College of Arts,
Science & Commerce

• Name of the Head of the institution

Dr. Manali Londhe

• Designation

I/c Principal

• Does the institution function from its own
campus?

Yes

• Phone no./Alternate phone no.

02267169610

• Mobile no

9867366933

• Registered e-mail

info.sksac@somaiya.edu

• Alternate e-mail

info.sksac@somaiya.edu

• Address

S.K.Somaiya Degree College of
Arts, Science & Commerce, 4th
floor, Vinay Mandir Building,
Vidyanagar Somaiya Campus,
Vidyavihar (East), Mumbai-
400077.

• City/Town

Mumbai

• State/UT

Maharashtra

• Pin Code

400077

2.Institutional status

• Affiliated /Constituent

Affiliated

• Type of Institution

Co-education

- Location **Urban**
- Financial Status **UGC 2f and 12(B)**
- Name of the Affiliating University **University of Mumbai**
- Name of the IQAC Coordinator **Dr. Sujata Khadilkar**
- Phone No. **9819556562**
- Alternate phone No. **9819556562**
- Mobile **9819556562**
- IQAC e-mail address **iqac.sksac@somaiya.edu**
- Alternate Email address **iqac.sksac@somaiya.edu**

3. Website address (Web link of the AQAR (Previous Academic Year)) [https://sksasc.somaiya.edu.in/media/pdf/AQAR%2020-21%20final%20\(1\).pdf](https://sksasc.somaiya.edu.in/media/pdf/AQAR%2020-21%20final%20(1).pdf)

4. Whether Academic Calendar prepared during the year? **Yes**

- if yes, whether it is uploaded in the Institutional website Web link: <https://sksasc.somaiya.edu.in/sksasc/academics/prospectus>

5. Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B++	83	2004	16/09/2004	15/09/2009
Cycle 2	A	3.15	2012	15/09/2012	14/09/2017
Cycle 3	B+	2.59	2020	08/01/2020	07/01/2025

6. Date of Establishment of IQAC **02/01/2005**

7. Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
NIL	NIL	NIL	NIL	NIL

8. Whether composition of IQAC as per latest NAAC guidelines **Yes**

- Upload latest notification of formation of IQAC [View File](#)

9. No. of IQAC meetings held during the year **03**

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**
- If No, please upload the minutes of the meeting(s) and Action Taken Report **No File Uploaded**

10. Whether IQAC received funding from any of the funding agency to support its activities during the year? **No**

- If yes, mention the amount

11. Significant contributions made by IQAC during the current year (maximum five bullets)

The IQAC completed an internal academic audit in July 2021. It was an assessment of 2 academic years- 2019-20 & 2020-21. Under the initiative and support from Nature club of the college, IQAC facilitated a green audit. Useful insights and suggestions were given by the expert for eco-friendly practices. The visit to the college by the expert and finalization of the report was done in August 2021. In September 2021, the IQAC team assisted the college office in terms of CAS file verifications, logistics, procedures & documentation in conduction of CAS promotion process of the faculties. A 2 day online FDP was organized by IQAC on 16 th & 17 th September 2021 on very pertinent topics to enhance the quality of TLP and inspire faculties to undertake innovative teaching- learning methods. LMS was the theme of day one of the FDP and "Experiential learning: Models, Methods, & Practices, Synchronous (interactive) learning" was the theme on the second day of the FDP. IQAC provided guidelines on supporting documents requirements and the 7 th pay API format from time to time to all teachers on 28th August 2021. AQAR for 2020-21 was submitted on time in December 2021.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards

Quality Enhancement and the outcome achieved by the end of the Academic year

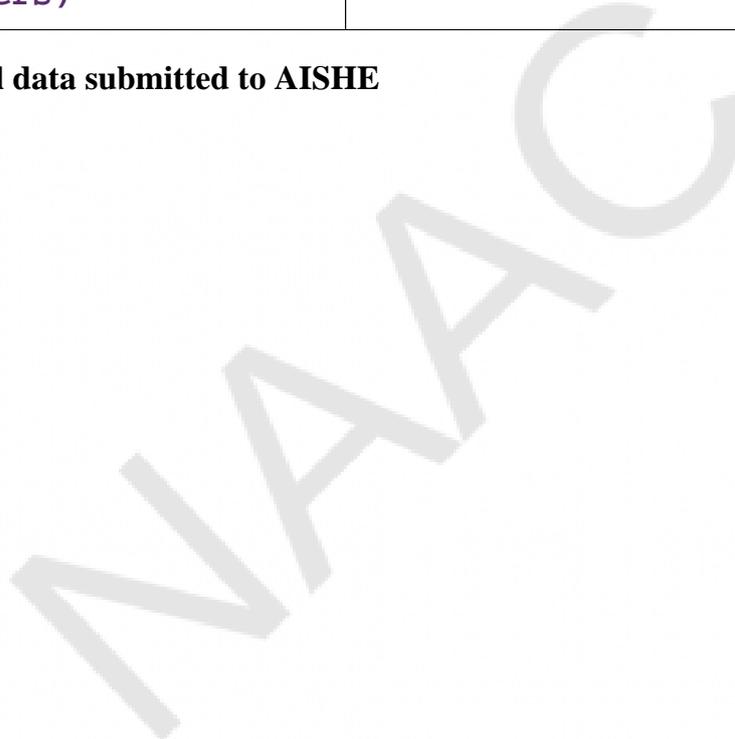

Plan of Action	Achievements/Outcomes
<p>To assess the teaching-Learning program & other co-curricular activities carried out in the recent years.</p>	<p>The IQAC completed an internal academic audit in July 2021. It was an assessment of 2 academic years- 2019-20 & 2020-21.</p>
<p>In view of shifting to another building, it was felt necessary to further the process of eco-friendly practices in the institution by seeking expert review & suggestions.</p>	<p>Under the initiative and support from Nature club of the college, IQAC facilitated a green audit. Useful insights and suggestions were given by the expert for eco-friendly practices.</p>
<p>To assist college administration to process the pending CAS promotion procedures of the faculties.</p>	<p>In September 2021, the IQAC team assisted the college office in terms of CAS file verifications, logistics, procedures & documentation in conduction of CAS promotion process of the faculties.</p>
<p>To provide a platform for interactions & discussions on participatory & innovative teaching-learning methods</p>	<p>A 2 day online FDP was organized by IQAC on 16 th & 17 th September 2021 on very pertinent topics to enhance the quality of TLP and inspire faculties to undertake innovative teaching-learning methods. Year	Date of Submission
2021-22 (Data ready to upload, portal not opened)	13/10/2022
15. Multidisciplinary / interdisciplinary	
<p>The college has multiple faculties- programs in Arts, Commerce, Management studies, mass media, banking & insurance, Accounting & Finance, Financial Markets, Computer science and Information Technology. The interdisciplinary approach is followed in the teaching-learning program. Curriculum enrichment activities and topics covered are interdisciplinary in nature. For example Third year project work is based on topics & methodology that is interdisciplinary and provides the students with wider insights. Socially relevant issues and themes are analyzed under internal assessment component of various courses offered at first year & second year level too. To illustrate, third year BA Economics projects include topics like financial literacy, financial planning, financial inclusiveness & equity research which are interdisciplinary in nature. Third year BA Sociology students have live projects. The experiential learning exposes students to various dimensions of particular socio-economic themes as well.</p>	
16. Academic bank of credits (ABC):	
The institution is not autonomous. The college is in the process of applying for academic autonomy.	
17. Skill development:	
A certificate course in shipping/ export import services in	

collaboration with IIIFTSA (Government recognized) was conducted during 2021-22. This enables students to grasp the technical and procedural skills required in foreign trade transactions. Employability skills such as resume writing, enhancement, PPT etc are facilitated through the mentoring activity as well as the Placement & training cell of the college. 'Career Katta' program was launched at college level in 2021-22. This is a Government of Maharashtra initiative. It aims to impart skill sets as per the changing job profiles via online sessions and training programs free of cost. Analytical skills and research acumen is developed by encouraging students to participate in co-curricular activities and research competitions.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Integration of Indian knowledge system was undertaken via extra-curricular activities and also as a part of curriculum in case of select courses. The International Yoga day was celebrated as is a practice every year. Also Exam committee took a lead along with IQAC in celebrating Chhatrapati Shivaji Maharaj Jayanti and Dr. B./R Ambedkar Jayanti.

In case of courses like Psychology & in humanities, in the first year of the program topics related to Indian contribution and views/approaches of Indian psychologists is covered in the curriculum. Indian languages such as Hindi and Marathi are offered at the first year BA program and are compulsory. Marathi Bhasha Diwas and Hindi Diwas were celebrated in 2021-22. Traditional performing arts such as classical dance, music and folk etc were included in events organized by cultural forum and Marathi Vangmay Mandal.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

One of the primary medium for assessing the outcome of the teaching learning program was the pass percentage of students in semester end exams. These were very high (90% & above) across all courses & programs for the odd semesters. The second parameter for measuring outcome based education is the student feedback on teaching methods. Curriculum feedback was also taken applying multiple stakeholder approach, covering students, parents, faculty & alumni during 2021-22. The continuous internal assessment program also has an outcome based perspective and evaluation system.

20.Distance education/online education:

The lectures were conducted in online mode for all the classes during academic year 2021-22 for the entire first term. In the second term of the year First year classes of the BA & Bcom programs continued in the online mode. Google meet and microsoft teams platform were used for conduction of online lectures.

All teachers created their google classrooms for sharing study material, references, audio-video material, quizzes & conduction of class tests.

Several faculties of the college have contributed in capacity as course writers for the distance education module of the University of Mumbai.

4.3	142
Total number of computers on campus for academic purposes	

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Curriculum delivery is done at following phases:

Planning phase - The time table is prepared well in advance and shared with the faculties so that they get enough time to plan effectively.

The planning for curriculum delivery is done at three levels.

Lecture plan - This specifies the tentative date of completion of topics as per syllabus for each class and division.

Subject plan - It indicates information regarding various modes and methods that a teacher is planning to use to teach a particular topic.

Departmental plan - This is a description of curricular and co-curricular activities that department has decided to do in the entire year. All these plans are submitted to planning board in the college which is constituted of three senior teachers and the Principal.

Execution and self - monitoring phase - Teachers fill academic diary everyday which helps them to track the execution of the plan . IQAC has also designed an effective mechanism to monitor effective curriculum delivery through open house, interaction with students and feedback on curriculum.

Review and feedback phase-At the end of the each semester the reports for lecture, subject and departmental plan are submitted to planning board for review.

Mentoring system - Under this system, the mentor and the mentee team assists students with academic difficulties . If needed, help of the student-counseling cell is also taken.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Every year the college follows the academic calendar provided by University of Mumbai since the college is affiliated to the said university. In 2021-22, college has prepared its academic calendar in line with university academic calendar. The college follows the starting and ending day of terms as given by the university.

As the colleges have been divided into various clusters. Accordingly the guidelines for the preparations of question bank, paper setting and marking system has to be followed. The exam time table was in line with the one given by the cluster head college. For the internal evaluation of self-financing courses, exam committee in consultation with principal has decided the schedule.

As the academic year was affected due to second wave of COVID-19 pandemic and subsequent restrictions, even the co-curricular activities were conducted online with the prior permission from principal and in consultation with IQAC. Many departments and committees have conducted various seminars, workshops and guidance session for students, faculties as well as non-teaching staff.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The institution is affiliated to university of Mumbai so it is following the curriculum designed at the university level. There

are many crosscutting issues which have been included in the syllabus such as gender equality and women empowerment is taught in Sociology of Gender course of Sociology programme. Environment Protection, Environmental Hazards and concept of sustainability is taught in Environmental Studies course of Bachelor of Commerce programme. Environmental Economics is also done in Bachelor of Arts programme.

Human values and its important is discussed in details in the Business law. The concept of Business and Professional Ethics is discussed in Commerce. Foundation course which is common for Bachelor of Arts as well as Bachelor of Commerce include topics as status of women, constitutional and legal rights of women, Redressal mechanism etc. This course also include the environment, ecology, sustainability and disaster management related issues.

Women Development cell of the college has also conducted various events like a session on "Myths of gender, role of gender and understanding intimacy between genders", Talk on "An overview of Sexual Harassment of Women at workplace (Prevention, Prohibition & Redressal" and online get together of all female teachers of the college for a Session on women health issues on account of International Women's Day by Dr. Angelica D'Souza.

Number of seats filled against seats reserved (Data Template)	View File

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Advanced learners are encouraged to attend seminars and conferences and present research papers on the topics and subjects in which they have great potential. Further few mentor teachers have introduced "Teach The Peer" concept. Advance learners are selected and assigned subjects in which they want to specialize and have expertise. They are assigned four to five slow learners. They will plan guidance lectures in consultation with subject teachers and slow learners will be guided accordingly.

Extra sessions and practical's for slow learners are conducted. Amongst the final year students, advance learners are also given the reference material for additional knowledge and opportunities to make presentations to the class. This leads to curriculum enhancement as well. For slow learners the following programmes are also conducted, to motivate and boost the confidence

- Bridge course to introduce the basic concepts of the subject and develop confidence in the subject.
- Remedial lectures to help all the students who failed in particular subjects and weak students.

During Examination period also, students with special needs are given additional facilities. For instance, extra time is given for students with learning disabilities, visually challenged students and slow learners. Visually challenge students are provided with question papers in big font. The college also takes special care in bringing slow learners to the mainstream.

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
3578	56

File Description	Documents
Any additional information	View File

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college has emphasized on participative methods of teaching learning. The planning boards of the college have supported student centric methods in its teaching-learning process. During this academic year, several departments have tried to experiment with the 'flipped classroom' model. The student plays a pivotal role in influencing the depth of the topic coverage, adding to the quality of the curriculum delivery.

Student centric methods such as access to empirical data and macro data sources in a 'smart' class setting or even independently by the student beyond the classroom exposes them to practical knowledge and builds their analytical abilities. Some departments like mass media and English also support the writing skills of the students through student oriented exercises on report writing, letter writing and other communication skill assignments. Even the add-on courses that inculcate proficiency skills are student centric not only in terms of curriculum delivery but also in terms of evaluation, using mechanisms such as group mentoring, reviewing and peer evaluation. Peer to peer assessment encourages healthy interaction and discussion among the students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Majority of faculties are using Google Meet for conducting lectures. Some of the faculties are also using Microsoft team for conducting lectures and sharing reference material. In G-Suit, some faculties are using advance application such as Pear deck, Insert Learning, Jam board etc. Google Classroom is used for sharing notes, assignments, tests and Quizes by all faculties. After the completion of syllabus, faculties are taking examination guidance lecture and providing practice of MCQs through quiz and test in online mode. Also all assignments are posted on google classroom giving easy access to the students.

Attendance of students was maintained in the google drive. Academic dairies of the faculties were updated in online mode throughout the year.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The Examination Committee holds meetings of the faculties and suggest them to ensure effective implementation of the evaluation process.

Learners are assessed continuously through various evaluation processes at college/University level. Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Online internal Examination are conducted as per the schedule declared by the University of Mumbai time to time on account of pandemic situation. Given in academic calendar. The weightage for the unit tests varies as per the concerned faculty (Arts/Commerce/ Science) respectively.

The results/performance of the students is displayed on the college website and communicated to the students. Personal guidance is given to the academically weak Students appearing for Second /third year are asked to deliver the seminars of the concerned subject. Topics are given by their teachers to the students to prepare for power point presentation.

For transparent and robust for internal assessment, the following mechanisms are conducted

- Steering Committee
- Question Paper Setting/allotment of topics to learner by the faculty.
- Conduct of Examination/viva-voce and presentation of learners
- Result display

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal assessment process also offers a variety of modes on which the learner may be assessed such as class test, assignment, project work etc. The College ensures Effective implementation of students Grievance Mechanism. Grievance related to assessment or any examination related matter is done as per the ordinance 0.5050 framed by University of Mumbai.

Mechanism to deal with examination related grievances is transparent, time bound and efficient.

- University guidelines of conducting online exams for internal assessment have been followed abiding by the Covid protocol.
- Timetables for internal examination are displayed on the college website well in advance. Class mentors are also encouraged to circulate timetable links.
- Proctoring is done to curb malpractices .
- The marks obtained by the students are displayed on the college website.
- To address grievances learners are encourage to mail studentinfo.exam@somaiyua.edu
- Grievances are responded on time to time basis by the examination committee

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Semester wise program and course outcomes are displayed by the examination committee on the college website under the 'examination notices' heading. In addition, weblinks to the semester end exam results is also provided to the students by the examination committee to the students via mentor teachers. The results for students having backlog is also displayed on the college website in the form of ATKT results.

The program and course outcomes are presented in the staff common room meetings as well. The detailed program and course wise outcomes are prepared by the examination committee and provided to the Heads of the departments. The course outcomes are then analysed in the department meetings. Academic performance of the students is analysed for different classes and wherever the performance is low, the departments may modify their teaching-learning/ subject plans.

Apart from the academic performance or semester-end exam results, each department also lays down the learning outcomes expected from the various courses it deals with for the students. Accordingly the teachers also prepare the subject plan containing the teaching-learning modes other than chalk-duster mode. The skills, concepts and applications the students are expected to learn are identified and specified for each course by the departments. Each department, then devises the mechanisms for implementing these mechanisms during curriculum delivery and achieving these learning goals. The learning goals and outcomes are modified as the syllabi for courses are revised by the Board of Studies in the subject by the university the college is affiliated to.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The program and course outcomes are presented in the staff common room meetings. This is followed by appreciation of programs and courses with high academic performance of students. The low performing courses/programs are identified as well. A discussion is done on remedial measures for improving the course outcomes.

The detailed program and course wise outcomes are prepared by the examination committee and provided to the Heads of the departments. The course outcomes are then analysed in the department meetings. Academic performance of the students is analysed for different classes and wherever the performance is low, the departments may modify their teaching-learning/ subject plans.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Following measure are taken for promoting research culture in the institution

1. The self-appraisal form is filled by every faculty. They get feedback based on it from senior faculty. This practice provides nurturing space for the initiative of faculty for research and so in other endeavors.

2. The faculty members are provided financial assistance of Rs 1000/- for or presenting papers at seminars and conferences. For the faculty is registering for doctorate degree seed money (Rs 10,000/-) is provided.

3. The college research committee with faculty who has experience in research guides and mentors research initiatives by faculty. The students are also guided for submitting their research projects for 'Avishkar' intra universities research convention

4. Excellent resources for research are provided by the well - equipped library. The library is partially automated with in-house developed library management software 'Bookworm' with more than 50000 books and journals. The Somaiya Digital Library offers access to over 121000+ e-books and 90000+ e- journals online resources provided by EBSCOhost to Somaiya Vidyavihar campus.

5. On the campus level incubation centre, Riidl which provides nurturing environment to startups by providing them work space and mentoring which enables them to contribute to the community. Students and faculties from the all institutes in Somaiya group can utilize this facility.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The holistic development of the students requires them to be aware of the issues of and requirements for community development. It is thus necessary to facilitate extension activities involving

students, faculty and the stakeholders in the neighborhood.

Few departments have been carrying out research on socially relevant topics and field visits to sensitize students towards the vulnerable sections of the society. To illustrate, the department of Economics each year conducts research projects on various pertinent topics such as financial awareness/ literacy among UG students sustainable consumption and pro-environment practices among households and Study of home- based workers in Mumbai city

Our college NSS unit is in the forefront of providing a platform to students in terms of extension and community outreach activities they facilitate for the students.

The Nature Club of our college conducted a host of activities in online mode that promote environmental awareness and sustainability. This year 700 students were involved in researching mangrove, desert, marine, freshwater, grassland and tundra ecosystems.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Classrooms form the basic physical infrastructure in the teachinglearning process. The classrooms have adequate lighting andventilation.We have an elevator facilitating the mobility ofteachers and staff within the college building.

The college provides internet/ Wi-fi facilities that can be accessed with unique login details provided to all members. This enablesteachers and students to obtain a quick access to subject materialsand references available on the various websites. We have anexclusive well furnished, air-conditioned research room withinternet terminals, current national and international journals,their bound volumes, and research thesis of faculty

members. We have well equipped library consisting of reading section, reference section and circulation section.

The institute has one computer laboratory. There are approximately 45 computers in computer lab including standby computers. In addition to this the institute also has 11 laptops, 10 printers and 2 scanners. Lab timings are from morning 9 am till evening 5 pm. We have a dedicated lab staff for handling all the software installations, Minor hardware issues and Network issues.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Somaiya Library provides ample space and comfort to its users. The main library is located on the fourth floor of the institutional building and comprises of Reading Section, Reference Section. Circulation Section are located on the terrace of fourth floor of the building. The Reading Section can accommodate around 45 students at a time. The library resources of the college include a good collection of the latest books, journals, and periodicals and magazines. The library maintains a good collection of reference books published by National and International

publishers. The College Library is fully automated with 13 computers, online services provided to students and teachers through web based open access catalogue. The library has separate website at www.somaiya.edu and opac.somaiya.edu where students can browse online catalogues or can have remote access to e resources at <https://library.somaiya.edu/>. The library has its own in-house developed, integrated, multi-user, multi-tasking library management software called Bookworm.

The library website provides google like single window integrated search for EBSCOHOST database as well as local data generated by the Somaiya Vidyavihar Institutes. Automated inter-library loan facility is available for all students.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Institution frequently updates its IT facility including Wi-fi. The day-to-day administrative work of the institute is done electronically with the help of computers. Each administrative staff member is equipped with dedicated desktop computers and active internet connection. The management has installed 'Sensys' software (Since 2016) used by teaching and non-teaching staff which includes (leave management, profile management, student profile management, salary management, HR etc.). The computers are timely upgraded with necessary hardware and software requirements. There exists high speed internet along with Wi-fi facility. Most of the administrative processes are now digitized by University of Mumbai as well as college. At College level the following processes are carried out digitally such as: Acceptance of online application forms for admission, Display of merit list of eligible students for admission, Railway concession forms, and students' feedback etc. The campus has centralized computer / data center which regulates and controls the necessary hardware and software procurements and up-gradations. The college has all the licensed software installed in the laboratories, library, examination department, staff room and administrative office. The teaching and non-teaching staff is regularly offered technical training for knowledge up-gradation.

The bar code system is deployed in library for issuing of books.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Physical and academic infrastructure is an important support for the progress of HEI. The college recognized that we need to have systematized and concretely laid down policies, practices and protocols for the upkeep and enhancement of all the support facilities. With the view to ensure optimum utilization of the facilities, various policies such as library manual, laboratory usage policy, sports and gymkhana manuals etc. have been diligently prepared keeping in view the interest of the institution and all concerned stakeholders. These policy documents are uploaded on the website for the reference of all stakeholders.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The students' efforts are most visible in the nature and body of the work performed. A large group of committed students relentlessly work for campus drives with established companies. The activities in this regard are the creativity and efforts by our students in preparing and sending college brochures to various companies. A detailed students profile has been built to understand students' placement requirements. High decentralisation gives the students a free hand in the functioning of the committee. A well designed portal and website reveal the efforts of the students in shaping the management of the committee activities. The outcome of the decentralised functioning reflects in the events and a series of guest lectures organised, enabling the Somaiya graduates assess their employability skills and find good placements. The students pitch corporate heads for placement through extensive use of both formal and informal communication channels built through social media, Facebook and Whatsapp.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision of the college is to provide a dynamic learning continuum. The Thrust has always been on providing students with a well-rounded education that comes to fruition when they succeed in securing gainful employment. The Placement Cell of the college has evolved a well designed concept of achieving this objective by closely working with three stakeholders - the students, the faculty, and the companies. The world of work is changing very rapidly. Keeping this in mind, a strong liaison with the industry is maintained for continuous monitoring of changing trends and conditions in the global job market. The Placement Cell has undertaken several measures to attract companies to recruit fresh talent nurtured on the campus. The Placement Cell has also made its presence felt on social media such as Facebook Instagram, and LinkedIn. It has created an exclusive website for the registration of students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college practices decentralized participative management in several areas of administration. The teaching, non-teaching staff, and students participate in the designing and functioning of several committees. The Placement cell, Feedback committee, and Admission committee are some of the most mentionable, working on decentralised lines.

We focus on the

Admission: Work of admission is a high major task during the covid period. Admission committee members were involved in checking the admission form online. Access to the admission portal was given to the members of the admission committee to check the university enrollment form, results, Transfer certificate, undertaking form, Allocation of fees as per the criteria, etc.

PLACEMENT CELL: Inaugurated in the year 2016, it is the committee that is run by the students for the students with assistance from the alumina and the faculties.

STRUCTURE: The Cell functions through its 'Operational group'. The students are organised into various groups like Operations, Talent management, Event management, etc. with specific responsibilities. The Operation Group elicits data from various sources like personal contacts, contact with the alumina, Gate Crashing, internet to prepare a databank of companies offering placements.

Student representatives are included in various academic bodies like IQAC, CDC.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The college envisions being a proactive centre of learning and skill development with its students empowered to excel in the dynamic world of work, entrepreneurship and pursue higher career advancement. The institution with effective academic freedom and mobilizing contributions from all its stakeholders aims to be the top preferred choice of the student community among the colleges in the city.

This vision can be transformed to reality by directing continued efforts towards providing a vibrant learning experience, supporting the enhancement of employability skills, life skills and providing varied opportunities for all round personality development of the students.

In its journey towards achieving this vision-mission, the institution has adopted a multi- stakeholder approach with participation of the Head of the institution, IQAC members, external experts, management representatives, the alumni, planning & executive boards, Academia- Industry interface committee, Placement cell, research forum and various other committees of the college. The ideas, suggestions and the crucial roles executed by all the teachers and students are represented through these bodies. These bodies are involved in contributing by the way of planning strategies, making decisions and implementing the mechanisms to achieve the cherished goals.

In order to achieve the cherished vision, the institution through its leadership and governance has been working towards defining & monitoring a set of outcomes that form a part of the institution's perspective plan.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance appraisal system forms a crucial mechanism for quality enhancement. In case of teaching staff, students are the major stakeholders in the teaching-learning process. Students' feedback is procured at 3 levels: entry level given by first year students of all UG courses, term wise feedback and exit level feedback from students of the third year of all UG courses. The feedback of all faculties covering all the classes and subjects taught by them is taken in both the terms. Both online and manual feedback are taken on rating scale that includes aspects such as concept clarity, regularity of lectures, learning resources provided, use of ICT etc. This feedback is then disseminated to the respective faculty, department head/course coordinator and the head of the institution. If any glaring remark is noticed, then the case is discussed with the concerned faculty in a positive and confidential manner. This creates a conducive environment for the faculty to take necessary measures.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Financial audit aims at ensuring financial discipline and transparency essential for the smooth running of the institution. It is also crucial for the fulfillments of requisites notified by the University and Joint Director's office from time to time. Since our college is one among the umbrella of institutions under the Somaiya Trust, balance sheet and budget inputs are also prepared and provided as per the management requirements. Thus, the financial mechanism of the college requires preparation and audit of institution level budget & balance sheet, inputs for the campus level Trust balance sheet & budget. Besides, cash balance sheet and audited grants statement also encompass the financial mechanism. The college follows a systematic procedure to resolve financial matters through a financial audit mechanism. Internal and external audit of mercantile balance sheet are conducted every six months. Queries raised in the internal audit related to voucher payments are rectified. The queries are resolved by verifying whether the amounts stated in the voucher are as per the relevant policies approved for such expenditure. With verification of the alignment of the amounts spent with policies approved, the queries are closed.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The Students Welfare Fund is a collection of contributions made by the teaching, the non-teaching, and the college alumni. Under the student welfare committee, there are two types of schemes implemented by the institute where the mobilization of funds and resources are optimized. An amount of Rs. 4000/- concession in fees is given to students as general financial aid on filling an application form. The decision for the disbursement taken by the head of the institute. The Full/ Part payment of fees for the economically backward or students who require financial aid is disbursement from the student welfare fund. The student welfare committee circulates a notice for needy students who need financial support toward their fees. The students apply for the same with an income certificate. The student welfare committee and the head of the institute recommend and decide on the disbursement for students.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

- Separate Somaiya email ID with more drive space.
- Appointment letters to internal IQAC members.
- Turnitin plagiarism check software.
- Verification of API scores to be sent to the HR department, Somaiya campus.
- AISHE report for 2021-22 prepared.
- Green audit initiated on annual basis in collaboration with Nature club.
- Online FDP for enhancing innovative/participative practices in teaching-learning process.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

1. IQAC has promoted the inclusion of more students participating & involving modes of teaching-learning. The idea of the flipped model classroom was introduced by IQAC and lesson-cum- subject plans for select subjects were accordingly prepared and reviewed under the guidance of IQAC external expert members. All faculties now prepare their academic plan accordingly. It includes laying down learning objectives, interactive modes proposed for teaching each topic, time for completion, and specifying the learning outcome. The planning and audit boards and IQAC then undertake a term-end review of the reports submitted by the teachers/ departments. In the future, the IQAC also intends to introduce a departmental review of the teaching-learning plans. It would promote the interdisciplinary approach in the teaching-learning process (TLP) and peer review/learning.

2. Apart from this IQAC also aimed at encouraging the effective use of ICT in the TLP. With this end in view, it conducted sessions on making effective PPTs, and the use of google forms, and google classroom. Many faculties have resorted to starting a google classroom separately for each subject/class. This classroom acts as a mode for the dissemination of learning resources such as notes, reference material, PPTs, educational videos.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institution is committed to maintaining gender equity and ensures the same by conducting various activities during the academic year. The Women Development Cell of the College strives towards promoting awareness about providing amiable environment for gender equality amongst the students and faculty of the college. With this aim, the Women Development Cell conducted multiple events throughout the year. The Internal Complaints Committee (ICC) of the institution looks into the prevention, prohibition, and redressal of sexual harassment of women employees and students. It is committed to zero tolerance policy towards sexual harassment. With this aim, it creates awareness regarding what constitutes sexual harassment and holds programs about the same.

Gender equality is important for a sustainable tomorrow. Girls are motivated to participate in sports, NCC and NSS wings of the college as it develops strength, confidence and leadership qualities in them. Women Development Cell (WDC) works for promoting awareness about laws protecting women from sexual harassment and providing amiable environment for gender equality amongst the students and faculty of the College. International Women's Day marks a call to action for accelerating gender parity which is celebrated at our institute where teachers mingle and discuss various issues confronting women. The Internal Complaints Committee follows a zero-tolerance policy towards sexual harassment. It is committed to creating a campus free from discrimination, harassment, or sexual assault. Related to this,

the committee conducts awareness programs on sexual harassment.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid and liquid waste management - The institution has a cleaning contract which includes not only the premises but washrooms too. Dustbins are provided at various locations in order to imbibe a sense of cleanliness. The waste is commonly accumulated and after a security check is disposed in a common place in accordance with the management policy which is later on collected by the municipality of the local area. There is a penalty of Rs. 500/- for littering and waste generation. There is a board displayed with this information to this effect.

At the campus level dry waste is segregated at 'Suruchi' and near vermi-compost site. Wet waste is spread in the vermi-compost pit (area: 25 sq. mt. * 10 pits = 2500 sq. mt). There are a number of initiatives that are being worked on in terms of sewage treatment and for converting waste to fuel.

E- waste management – The College has a contract with ACMA COMPUTERS which takes care of the overall maintenance of computers. As part of the e management process out of used old electronic equipment which include monitors, cabinets keyboards, mouse, SMPS, RAM, CPU's, mother board, hard disks, cables are handed over to K. J. Somaiya Private Industrial Training Institution (VTI) where it is recycled and reused.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The Student Welfare Scheme provides financial assistance to economically weaker learners in the institute. This year 06 students have availed the scheme. This is an inclusive practice undertaken with the aim of extending financial aid to economically weaker students in the form of fee waivers, grants etc. Despite the challenges faced, the scheme has succeeded in helping those students from extremely poor financial backgrounds and allows them to pay fee in instalments.

Commemorative days are celebrated in the college to build and promote an environment for ethical, cultural and spiritual values among students and staff. This year the exam committee took the initiative and celebrated World Peace Day and Shivaji Jayanti to promote the spirit of diversity and harmony.

Student mentoring is one of the core practices of the institution. Each class across different programs is assigned a mentor who is responsible for managing and attending to students' academic and administrative needs, addressing their grievances, discharging appropriate remedial measures to academically weak students and providing guidance to emotionally and psychologically distressed students. In addition, the mentor also motivates students to join and participate in the activities organized by various forums in the college. Thus, the mentor ensures that an inclusive environment is provided to the students wherein they participate in and benefit from the various academic, cultural and other extracurricular platforms provided to them.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Two best practices that have been successfully implemented by the institution in the academic year 2021-22 are:

1. Student Mentoring

The college has a well-planned student mentoring system in place and it is implemented meticulously in each class across different programs. Its objectives include undertaking academic and career counselling tasks, attending to the distress and issues faced by students in class with regard to the academic, social, emotional problems, to motivate them to become members of various forums and fests conducted by the college, and to. The success of the mentoring system is evident from the positive response of the students to the various opportunities provided to them in terms of academics, career, extra-curricular and co-curricular activities.

2. Placement Cell

The Placement Cell of the college is a robust cell comprising of students and faculty functioning throughout the year. It is an executive body that plays an active role in liaising excellent placement and internship opportunities to the students of the institution. This was the first on campus recruitment taking place after a gap of two years due to the pandemic when it was held online. The success of this year's Placement Cell drive is evident from the presence of 25 companies on campus to conduct recruitment. A total of 400 students participated in the event. 75 students were placed through campus recruitment while 35 students received job offers from companies off campus.

File Description	Documents
Best practices in the Institutional website	Nil
Any other relevant information	Nil

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The student welfare scheme provides financial assistance to economically weaker learners in the institute. This scheme has obtained the unceasing support from management, staff and alumni. This scheme is directed towards achieving an inclusive

institution. Its noble objectives include: to extend financial aid to the economically weaker students, by providing grants, fee waivers etc., provide discrete academic assistance and auxiliary services such as book bank scheme offered through the library for economically backward students. The outcome of this practice is striving towards upholding equity and inclusion among the economically disadvantaged learners through systematic execution of funding approaches.

Despite facing several challenges, the scheme has emerged successful. A unique aspect of this scheme is that learners belonging to various castes and creed are permitted to pay their fees by submitting cheques from their trusts or associations. Later, the college reimburses the fees through a cheque in the name of the respective trusts. This ensures timely collection of fees of these students by the college. Administered and piloted by an efficient committee the students find this the most transparent mechanism for obtaining financial assistance. Learners are offered the following benefits under this scheme: Fee waiver in case of extremely poor financial and permission to pay fees in instalments. The resources are pooled from the contributions made by staff, alumni, and the institution.
